

CTEC HEALTH AND SOCIAL CARE (OCR)

Level of Study: Level 3

Extended Certificate (equivalent to 1 A-Level)

Diploma (equivalent to 2 A Levels)

Description of Course

Health & Social Care will develop your knowledge, understanding and skills to meet the needs of the sector and also the academic requirements to study at university.

The qualification develops a deep common core of knowledge, understanding and skills in this sector through mandatory content. You will focus on a particular aspect of the sector through a selection of optional units, including a route that focuses specifically on health studies.

Depending on the size of qualification you opt to study you will study the following units:
