

# Langley Park School for Girls

Headteacher: Dr Anne Hudson

17<sup>th</sup> May 2012

Dear Parents/Carers/Governors and Students

## OFSTED REPORT 2012

Following on from our Ofsted Inspection on 25<sup>th</sup> and 26<sup>th</sup> April, I have been asked to send you the attached letter from the inspectors. The full report can be viewed on the LPGS Website.

I am sure you are aware that the whole framework of inspection has changed this year, and that all the criteria have been revised to make it more difficult to achieve high grades.

We are pleased that since 2011 we have managed to ensure that achievement is back on track, on an upward trend. The inspectors have praised the systems we introduced last year to ensure that all teachers and students are aware of what they should be able to achieve. 2011 brought our best 'A' Level results for 10 years, and we are anticipating our best ever GCSE results this summer.

The inspectors noted a number of improvements since the 2009 inspection. They praised the fact that we have closed the gaps in the progress of different groups of students and that we are effectively tackling discrimination and promoting equality. They noted that we have addressed the curriculum issues in the Sixth Form identified in 2009. They said how polite and courteous the students are and how well they work together.

Thank you for all support, particularly those of you who completed questionnaires during the inspection. I am confident that the work we are doing now will ensure that we really do meet the criteria for the new 'outstanding' before our next inspection.

Yours sincerely

**Anne Hudson**  
Headteacher
